**9** Ms *White* to ask the Minister for Business Industry and Resources – In August 2020, Tasmanian Alkaloids opened a new medicinal cannabis venture with the help of a \$10 million government loan:

- (1) Has the loan now been repaid in full?
- (2) If the loan has not been repaid in full, when will it be? (23 May 2024)

**10** Ms *White* to ask the Attorney-General – In relation to the independent review into whether Public Officers received grants of legal assistance during the Commission of Inquiry:

- (1) When will the independent review into whether Public Officers received a grant of independent legal assistance during the Commission of Inquiry be delivered to the Attorney-General?

- (2) Does the Attorney-General plan to publish this report when received, and if so, when will it be published? (13 June 2024)
- 11** Mr *Garland* to ask the Minister for Justice – In relation to complaints made to Work Safe Tasmania and any investigations:
- (1) Does Work Safe Tasmania assess and/or investigate the complaints it receives?
  - (2) In the past 15 years, how many complaints have been made to Work Safe Tasmania?
  - (3) Of those complaints to Work Safe Tasmania, how many have been assessed?
  - (4) Of those complaints to Work Safe Tasmania, how many have been progressed to investigation?
  - (5) How many investigations have resulted in findings that have been found in favour of the complainant?
  - (6) What were the full range of consequences to those subject to adverse findings of those investigations? (13 June 2024)
- 12** Mr *Garland* to ask the Minister for Education – In relation to safety for young people in schools managed by the Department of Education, Children and Young People (DECYP):
- (1) Are DECYP schools safe places for young Tasmanians and by what measure, if any, does the Government determine how safe a school is for a young person?
  - (2) In the past five years, have there been any complaints relating to physical violence incidents received by the Minister’s office by members of the public, and if so, how many?
  - (3) In the past five years, have there been any reports relating to physical violence incidents directly raised with the Minister’s office within DECYP and the previous Department of Education (DoE), and if so, how many?
  - (4) In the past five years, have there been any complaints made to the Minister’s office regarding concerns raised about the duty of care by DECYP or DoE employees and if so, how many? (13 June 2024)
- 13** Mr *Garland* to ask the Minister for Energy and Renewables – In relation to renewable energy projects in Tasmania and the Renewable Energy Zone proposed for the area inland of Burnie and Wynyard that was recently announced, and the acknowledgement by the Minister that there are more appropriate areas for Wind Farms, can the Minister provide:
- (1) A full list of the locations where the Government believes the more appropriate areas for Wind Farms are located?
  - (2) What criteria the recently proposed Renewable Energy Zone satisfies to achieve its selection for such a categorisation?
  - (3) Which of these criteria have been used to determine the appropriateness of Robbins Island for a wind farm?
  - (4) An indication of the weight that will be given to community consultation on the proposed Renewable Energy Zone and what criteria RecFIT will be using to determine if it has the social licence in the community when making their final recommendation to the Minister? (13 June 2024)
- 14** Mr *Garland* to ask the Minister for Housing and Planning – In relation to the planning process and the approvals of Robbins Island Wind Farm Development application:
- (1) Did the planning process assess the development of a wharf and access through Back Banks against the State Coastal Policy, which refers at Clause 1.4.2 that development on actively mobile landforms such as frontal dunes, such as Back Banks on Robbins Island, will not be permitted, and if so, did the Circular Head Council, the Environment Protection Authority (EPA) and the Tasmanian Civil Administration Tribunal (TASCAT) fail to apply Clause 1.4.2 against the planning approvals?
  - (2) Did TASCAT overrule the EPA’s requirement for the wind farm to shut down for five months of the year due to environmental considerations related to birdlife?
  - (3) Has the Minister for Energy and Renewables flagged changing the rules to suit at least one private developer, and cover over the failures of the planning authorities who did not meet the standard required?
  - (4) Did the Premier make recent comments that the project has undergone “enormous scrutiny” and if so, do you agree with these comments?
  - (5) Has there been adequate scrutiny by planning authorities over this project, and if not, what will you do about it?

- (6) Can you explain how the Robbins Island wind farm development application was approved by the Circular Head Council Planning Authority and the Environment Protection Agency with the appeal against the approval rejected by TASCAT, despite the application not being assessed against the State Coastal Policy?
- (5) Are there any areas in Tasmania where there are approved developments on actively mobile landforms such as frontal dunes, and if so, for each of these examples, provide the date and approving authority of when those developments were approved? (13 June 2024)

**15** Mr *Garland* to ask the Minister for Resources – In relation Robbins Island:

- (1) Was an application to construct a wharf to extend the North-East of Robbins Island in Bass Strait from an access road through Back Banks coastal dunes made part of the Robbins Island wind farm proposal?
- (2) Was this development inconsistent with the State Coastal Policy and fail to comply with the *State Policies and Projects Act 1993*?
- (3) If this wharf is approved and built, would this wharf be:
  - (a) privately or publicly owned?
  - (b) accessible to be used by the public and if so, give details on any limitations to this access?
  - (c) accessible to be used by entities upon negotiation (if privately owned) and if negotiations would take place with Robbins Island landowner(s), the owner(s) of the wharf infrastructure, or the State Government?
  - (d) accessible to be used by business, companies, or corporations to undertake operations? and;
  - (e) available for use for future fin fish farming enterprises that wanted to use this infrastructure? (13 June 2024)

**16** Ms *White* to ask the Minister for Justice – In relation to the Burnie Court Complex:

- (1) Has the State Government submitted a business case to the Federal Government for additional funding for the Burnie Court so that family law matters can also be heard in the new complex, and if so, when?
- (2) If additional funding was sought, can the Minister confirm that the amount of funding sought was \$15 million, and if not how much funding was sought?
- (3) Has the Minister taken steps to progress an outcome with the Federal Government that guarantees family law matters can be heard in the North-West of Tasmania, and if so, what are these steps?
- (4) If the State Government has submitted a business case to the Federal Government, has the State Government been asked by the Federal Government to provide any further information since submitting a business case, and if so, what was this information?
- (5) Has the State Government considered what further action they could take to fund the Burnie Court Complex to ensure the North-West does not miss out on the ability to build a brand new Burnie court in the CBD that provides access to justice for all matters locally, and if so, what are these actions? (20 June 2024)

LAURA ROSS, *Clerk of the House.*
